Work With Me

Sirinya's Thailand blog is gaining popularity as a Thailand culture, lifestyle and travel blog. I am interested in collaborating with your company to help my readers gain a deeper insight into particular aspects of Thai lifestyle, popular culture and travel related issues.

I am also featured in and partnered with [The Phuket News](#).

Product and Service Reviews

You would like to have your entertainment venue, hotel, restaurant or product featured on my blog? I will give you a detailed article on my blog with numerous photographs. I will further promote your product or service on my social media outlets (e.g. Facebook, Twitter, Google+, LinkedIn Pinterest, Instagram), and offer a link to your company on my site. I am also interested in doing reviews for lifestyle, fashion and beauty products.

Profile

You are an aspiring entrepreneur, artist or musician and look for publicity and media exposure? I write your profile and it may also be combined with a product review for instance.

Freelance Writing

I am happy to write articles for guidebooks, publications, websites, or other culture and travel blogs. If there is an opportunity to share my experiences with Thai culture, I am happy to produce paid content on topics that interest me. I will provide you with the same level of quality, in both writing and photography, as posts on my own site. I may write as a reviewer, interviewer, or from a personal narrative perspective in various lengths. Please let me know what I can

do for you.

General Writing Jobs & Academic Writing

I am also interested in other writing jobs that may not be related to the topic of my blog. Since I am a skilled and experienced copy- and ghostwriter having a PhD in American Studies, I can also offer qualified academic writing in subjects concerning literary studies, philosophy and cultural sciences.

Advertising

Your sidebar banner will get a 24/7 placement that is showcased on all of my pages and seen by a global audience. I offer advertising and sponsorship at moderate monthly and quarterly ad rates.

Contests and Giveaways

I am happy to host contests or giveaways on my blog. For instance, contests may be combined with a review on a product or service for exposure to my worldwide audience.
